The grievance of the petitioner is that two persons who were collecting tolls illegally have been chargesheeted but the persons at whose instance they were collecting tolls have not been made accused.

It appears that final form has been submitted. In this view of the matter it would be open to the petitioner to bring appropriate evidence at the stage of 319 Cr.P.C., if he believes that despite the involvement they have been let off by the police.

With the aforesaid observation this writ application is disposed of.
